

# Spiritual Freedom Update!

## A NEW CYCLE FOR ECKANKAR

### Spiritual Living Courses

Sri Harold Klemp is updating ECKANKAR'S Spiritual Living Courses! Beginning with *The Easy Way Discourses*, all seventeen courses will be updated and released, one or more per year.

Each volume glows with beautiful, full-color images, revamped spiritual activities, Reflections pages, and tips for new ways to engage with the spiritual exercises.

“The purpose of the Spiritual Living Courses is to prepare Soul for the ECK initiations.

—Sri Harold Klemp

### At Your Fingertips

Updated courses will be available in print as well as online. You can already access the updated English version of *The Easy Way Discourses* through the Initiate Pages portal at Eckankar.org.

This portal also gives access to the audio excerpts as well as a PDF of *Stranger by the River* for readings that Sri Harold recommends.

### New Easy Way Brochure

The new Easy Way brochure reaches out to spiritual seekers with a deeper dive into what enrollment in the Spiritual Living Courses offers. It's a warm invitation to experience the miracle of spiritual unfoldment!

It features a brief synopsis of each monthly lesson, including the title of "This Month's Spiritual Exercise." Seekers will also find profound testimonials from ECK Initiates. (Thank you for your beautiful words!) ☺

## The ECKANKAR Soul Adventure Guidebook

This guidebook is sent to every new ECK student and replaces *Welcome to the Wonderful World of ECK!* It abounds with full-color images and invites an exploration of the many facets of the ECK culture and community in an easy-to-read FAQ format.

It is available on the Initiate Pages at [Eckankar.org](http://Eckankar.org). May be used for chela book discussion classes and can also include seekers interested in enrollment.

## New Terminology?

The concept of ECK membership is being reframed to more clearly reflect the nature of this path. We are spiritual students of ECKANKAR. Chelas of the Master.

Leading with Spiritual Living Courses as a benefit to seekers creates a natural opening for using the terms *enrollment*, *spiritual student*, *initiate*, *Student Services*, *annual study*, etc.

“ECKANKAR is a spiritual path that redefines the experience of religion.”

—Sri Harold Klemp

## Benefits of Initiation

You likely have seen that the title “Initiate Pages” has replaced “Members Area” on the ECKANKAR website. It’s another invitation for seekers to understand more about the purpose of the ECK path. There’s a link to a page on the website describing the benefits of initiation.

A further link on that page takes seekers to a beautiful PDF, “What Happens During the ECK Initiation?”

# Why All the Changes?

## REACHING THE READY!

Every update and change has but one purpose—  
to better reach those the MAHANTA has been preparing for the path of ECK.

## THOSE READY FOR THE TRUE INITIATION.
