12-Year Cycles of the Master’s Mission!

The fourth cycle of the Mahanta, the Living ECK Master’s mission, “First of the Golden Years,” begins October 22, 2017, to October 21, 2029.

This will be followed by eleven more 12-year cycles of golden years. The year 2029 will herald “Second of the Golden Years,” and so on, through “Twelfth of the Golden Years,” beginning in 2149.

You may recall that during the 50th Anniversary of ECKANKAR, Sri Harold said, “I’m looking forward to fifty more golden years for ECKANKAR.” Each 12-year cycle can mark a time of spiritual upliftment, if a person keeps his face toward God. The first of these 12-year cycles began with the “Era of Stabilization,” 1981–93. It was followed by “Age of the ECK Missionary,” 1993–2005, and “A Time for Reaching Out,” 2005–17.
