

## *We're Taking the 2020 October Seminar Online!*

The upcoming 2020 ECK Spiritual New Year Celebration will be a virtual spiritual adventure for chelas and seekers around the world.

Since a physical, in-person event will not be possible this fall, we are breaking new ground with an invitation to enjoy a constellation of specially recorded ECK presentations:

- A new talk by the Mahanta, the Living ECK Master, Sri Harold Klemp
- Chela stories and insights
- Heart-opening creative arts
- A workshop on the power of gratitude—a secret to spiritual living
- Special event for ECK chelas
- Innovative fun activities for youth and families!

Stay tuned for more details on this celebration and how to register!
