

Update from the Master

MARKS OF AN ECK CLERIC

ECK clerics are to be living examples of the spiritual ideals of ECK, demonstrating good judgment, high ethics, and especially divine love.

—Sri Harold Klemp,
The ECK Cleric Handbook

Sri Harold has extended the time for new High Initiates to become eligible for ECK clergy candidacy to five years. (Initiator and ESA qualifications remain at two years from the prior appointment.)

SACRED EDUCATION

This gives more time for the far-reaching, sacred education that awaits a new Brother of the Leaf.

If serving as a member of the ECK clergy is your goal, invite the Inner Master to help you capture the insights and experiences he will then offer in your daily life and contemplations to that end.

Make it a true prayer.

THE NEXT LEVEL

This opens the door to the customized inner and outer training that the Master offers every H.I. reaching for the next level of spiritual realization and service. **Every High Initiate—including current ECK clerics—can advance spiritually by taking these practices to heart.**

Watch for every opportunity

- to shine as a role model for the ECK principles,
- to stand up for the ECK when facing the social consciousness,
- to help any seeker find the love of God.

SUPPORT, COMPASSION, INTEGRITY

Keep current with the ECK guidelines, and be a guardian for the ECK teachings, actively supporting the RESA hierarchy.

Practice harmony and compassion, making integrity your hallmark.

SECRETS AND KEYS FOR YOU

Love the Spiritual Exercises of ECK. True contemplation of the Four Zoas will reveal secrets of spiritual freedom. Furthermore, you will find humility and the Law of Silence to be golden keys to your success.
