

From the Master—A New Way to Share HU with the World

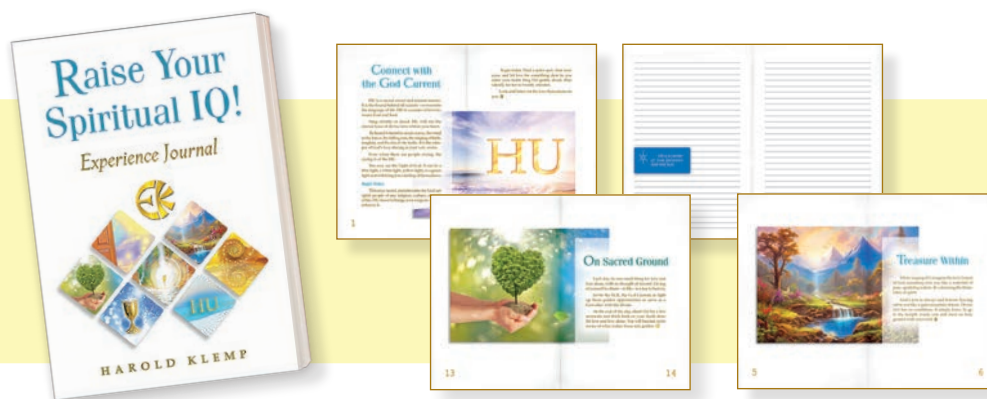

Raise Your Spiritual IQ!

“As Soul, you have the God knowledge within you.”

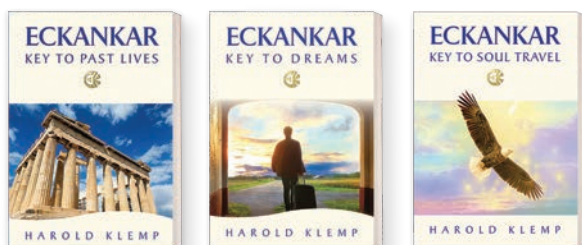

—Sri Harold Klemp

Sri Harold’s *Raise Your Spiritual IQ! Experience Journal* presents a dynamic new way to share the HU and the Spiritual Exercises of ECK with today’s seekers.

RYSIQ! Experience Journal is a **free gift** to every seeker at any ECK event.

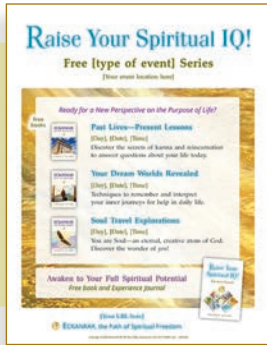

These beautifully illustrated, specially selected techniques offer a variety of pathways to the God knowledge within. The journal also includes an invitation to explore ECKANKAR’s Spiritual Living Courses.

“Key to . . .” Gift Books!

These three books are newly available in print and PDF as “free to seeker” items. They can also serve as themes for **IQ!** events—see posters next page!

Mission Focus:
REACHING THE READY

Dear Beam of Light,

Ready to get started? 😊

You'll find everything you see here and much more on this new Vahana program at Eckankar.org/IQtoolkit. We encourage you to use your creativity with over fifty sample topics, and taglines organized by theme to design your own **RYSIQ** seeker events.

For example, below are some ideas for HU events:

- **Contact the God Current**
Explore your spirituality from a new perspective!
- **Tune In to the God Force**
Discover HU, a natural way to connect to Spirit.
- **Ignite Your Spiritual Growth**
Experience HU, the Sound of Soul.
- **Passkey to the Inner Worlds**
Open your heart and Spiritual Eye with the HU mantra.

More tools and resources will be added as they become available.

We plan to translate the *Experience Journal* and three new “Key to . . .” books into French and Spanish.

♥ We look forward to your contributions of “works for me” and feedback on how you’ve approached the program in your area!

**With love and gratitude,
Vahana Services**
