

Consciousness Nine Update

*T*his is to let the body of ECK know that my successor for the Rod of ECK Power and the spiritual leadership of ECKANKAR will come into his position as a Twelfth Circle Initiate.

He will indeed likely work into the Thirteenth and Fourteenth Circles, thereby becoming the next embodied MAHANTA during his term.

This development is due in part to the establishment of Consciousness Nine and the future it holds for ECK chelas and the worlds.

My successor's term will then be followed by five Living ECK Masters of the Twelfth Circle before the next appearance of the embodied MAHANTA.

With love and blessings,

Harold

Q: Is there more that can be said about Consciousness Nine?

A: Really, no. It is beyond time and place. Something that doesn't lend itself to words or concepts.
