

# Ask the Master

Sri Doug answers your questions

**Q**: *Can you tell us, please, what is your spiritual name?*

**A**: My spiritual name is Razash, with the emphasis on the second syllable: *rah-ZAHS*. This is the true name, although it is fine to use the shortened version, Raza: *rah-ZAH*.

The spiritual name of the Living ECK Master has a life-giving power. Know that singing or chanting my name—or even lightly holding the name within you—strengthens the living bond of love between us.

See you on the inner!

*Doug*
